I don't think we want to give them report. Bad precedent. First, ask Mayor. Second consider the PowerPoint summary we have shown others.

Ben,

Let me know what you think. (No need to read the attachments.) Part of me says just give them what they want. They think there's a bunch of stuff about stop and frisk, but there's not. On the other hand, it creates a terrible precedent.

I believe the City has received a similar request. I've placed a call to the mayor.
